

The AIG Advantage

Local Expertise & Global Reach

- AIG has a long history of providing insurance solutions in the EMEA region, with more than 3,000 employees, and underwriting capabilities across Europe, the Middle East, and Africa.
- AIG Property has over 80 dedicated underwriters across 18 countries in the EMEA region. The Property Line of Business distinguishes itself as one of the most experienced and proficient underwriting teams in the market.
- A team of more than 100 Client and Broker Engagement (CBE) leaders across EMEA works alongside underwriters to ensure swift responsiveness and a seamless experience for clients and brokers.

Risk Engineering

- AIG's global Risk Engineering Network can offer benchmarking and expertise across industries, including:
- Benchmarking and risk improvement recommendations for large clients
- Risk assessment and mitigation recommendations for middle-market clients.

Multinational

- We have decades of experience providing fully compliant multinational programs for clients through our global network.
- The integrated "One AIG" Multinational Team includes over 500 experienced Underwriting, Legal, Operations, and Claims experts.
- Dedicated Multinational Client Executives for assigned clients enable consistent execution of tailored solutions, keeping clients protected across borders with local coverage in over 215 territories.
- Outstanding expertise providing Multinational captive fronting solutions, with more than USD 500 million in premiums flowing to AIG client captives in EMEA each year.
- Bespoke tools and insights provide clients and risk managers with pre-bind compliance considerations, territorial analyses, and timelines, as well as real-time access to portfolio summary, policy and premium status, and claims information post-bind.

AIG Claims Expertise

- We have a multi-award-winning Major Loss Claims Team.
- Our large network of AIG Claims Adjusters provides a consistent claims experience.
- The AIG Property Claims Promise affirms that our dedicated team of Claims Experts will mobilize in rapid response to a covered event and, after coverage is confirmed, will advance our policyholders up to 50% of an agreed loss estimate within seven days, giving them the immediate working funds they need for property damage and repairs, cleanup costs, and extra expenses.

Facts & Figures

Minimum Submission Requirements

- Name
- Activity
- Requested terms and conditions
- Excel spreadsheet of insured values split by building, contents, and business interruption per location (including full address)
- Loss control information as appropriate for exposure, including details regarding business and contingent business interruption
- 5+ years of loss history

Limits

- Primary and Excess — Lead and Non-Lead: up to USD 500 million (every case is written on its own merit and typically on a quota share basis)

Underwriting Sweet Spots

In our varied portfolio, our risk appetite crosses many industries with the following sweet spots:

- Financial institutions, communications, media and IT, manufacturing risks (e.g., automotive industry, electronics, electrical equipment, machinery), technology companies, healthcare, retail, general services, and quality real estate accounts.
- We offer Terrorism and Political Violence Coverage, both embedded and stand-alone.
- AIG Property is open to looking at a majority of industries with the ability to commit significant capacity.
 - Major accounts — typically companies with insured sum greater than USD 1 billion
 - Middle market — typically companies with insured sum less than USD 1 billion
- We offer our solutions in a Lead and Non-Lead position, depending on industry exposure to large volatile losses and Cat exposure. The lower the volatility exposure, the higher the retained share/capacity and/or desire to Lead.
- We provide a multitude of offerings, depending on the client needs, including standard or manuscript wordings, captive services, multinational programs, and client partnership or workshops.

Capacity Considerations

We will consider all occupancies, however the deployment of our capacity is dependent on:

- Risk quality
- Loss experience
- Program conditions and pricing
- Commitment to risk management principles and acceptable account pricing
- Occupancy hazard
